Insurance Disclaimer

Our practice is committed to providing the best care and treatment for our patients.

REGARDING YOUR INSURANCE COMPANY

Your insurance is a contract between you and your insurance company. It is vitally important that you understand your coverage. We are providers for Delta Dental Premier, SunLife, Aetna (PPO1 & PPO2 Plans) and United Concordia (Alliance Network Plans). We do file on patients behalf for other insurance companies. You are responsible for payment regardless of any insurance company's arbitrary determination of benefits. If, for any reason, your insurance is denied, due to termination of benefits or any inaccurate information you may have provided us, your balance is due and payable in full upon receipt of such notice.

We ask for the patient's percentage of uncovered expenses when treatment is rendered and we are willing to submit your insurance for you, but please be aware that you will be responsible for whatever portion your insurance does not cover. Therefore, for your convenience, we accept Mastercard, Visa, and Discover. We also work with CareCredit. Of course, if a refund is in order, our office will send a check to you immediately.

Thank you and please let us know if you have any questions.

I have read and understand the above statement.
